Mr. John Gibson

Dear Mr. Gibson:

This letter is being submitted to supplement the Report of Receipts and Disbursements for the Faleomavaega for Congress Committee for the twelfth day report preceding the run-off election to be held on November 19, 1996 for the U.S. territory of American Samoa. It covers the period October 17, 1996 through October 30, 1996. The following points need clarification or explanation.

1. A 48-hour notice was faxed to the Federal Election Commission (Commission) on October 26, 1996 indicating that the amount of \$3,564.32 was received from the candidate. This was, in fact, a bank loan guaranteed by the candidate as reported on Schedule A for line 13(a) and Schedule C of this report.

2. Neither the loan agreement nor the Schedule C-1 signed by the lending institution for the loan referred to in paragraph 1 above have been received as of the filing of this report. These two documents will be filed with the Commission upon receipt.

3. This report is being filed without reconciling the Committee records with the bank statement for the Committee checking account in American Samoa because the October bank statement has not been received. This report is accurate to the best of my knowledge; however, an amendment may be necessary upon reconciliation of the Committee account records with the October, 1996 bank statement.

Sincerely,

Marlin R. Yenick
Assistant Treasurer
